Austintown Local Schools are requiring all adults supervising students to have a background check completed; both the FBI & BCI are required. Any parent wishing to volunteer to chaperone home or away games, parades, band nights and/or trips must complete background testing before they can volunteer. Even though the School Board is mandating the background checks for the safety of our students; this does not guarantee that a parent will be chosen to chaperone. This will be at the discretion of the Board Of Education, Band Directors and Head Chaperone.

If you currently have an FBI & BCI check completed please give a copy to the Head Chaperone. When completing a new background check please mail the results to yourself and provide the Head Chaperone with a copy as soon as it is available.

Please refer to the information below regarding locations for a back ground check:
